**President's Update**

Richard Picheny reported that ACBL has a new fee structure beginning for all Virtual Club Games as well as all Face-to-Face Clubs beginning on January 1, 2023. The table fee for all games increases \$1.10 a table from \$1.00 a table. In addition, ACBL is levying an additional fee of \$4.00 a table for all virtual games. At the same time, ACBL is initiating a rebate program. Any virtual games are eligible to have a \$4.00 a table rebate for all virtual games with 50 or less tables. However, they are also launching a volume rebate program which offers additional rebates based on a club's number of face-to-face games and virtual games. If we enter into a pooling arrangement with Duncan and Laguna Woods, the volume rebate we receive for our games will be higher than if we continue on our own. Therefore, a pooling agreement is currently being negotiated with Duncan and Laguna Woods.
